eBay and PayPal

eBay

- An online marketplace where people can buy and sell used, new, and vintage goods
- Buy products at discounted prices
- Bid on items or use the “Buy it Now” option
- Sell personal items
- Create an eBay store where customers can view all the products you’re selling in one convenient location.

Tips for buying and selling on eBay

- Thoroughly review the seller’s ratings
- Carefully read the detailed description of the item you want to buy
- Contact the seller if you have any questions.
- Always pay through eBay approved methods.

PayPal

- A P2P (person-to-person) payment service founded in 1998.
- Accounts are free.
- Make online purchases without entering your credit card or bank information every time you make a purchase on a website.
- No fees for online purchases.
- Send money to friends and family for free.
- PayPal’s “Purchase Protection” plan
