

SENIOR PLANET

Aging with Attitude

Money Matters

Online Banking

- 24/7 access
- Monitor your account more closely
- Set up security alerts and balance notifications

Online Safety

- Encryption: the scrambling of data—only the sender & receiver can read it
- https: the “s” means secure & that any data you enter is encrypted
- Multi-factor authentication: uses more than one method to verify identity

Online Savings

- Use WiFi to make free calls from your mobile device
- Google Hangouts, Skype, and Whats App
- Shop online & easily compare prices across sites
- Amazon.com, ebay.com, target.com, walmart.com
- Shop online with credit card, prepaid card, or PayPal
- Find lower prices on prescription drugs
- FamilyWise.org, GoodRX.com, warbyparker.com

Online Entertainment

- Stream video content for free on You Tube
- Low-cost subscription services available through Hulu and Netflix
- Rent or buy movies on Google Play or Amazon Video
