Digital Storytelling

Why Use Digital Storytelling Tools?
- Keep an electronic record of your story
- Share stories easily with whom you choose
- Add photos, video, audio
- Write stories collaboratively wherever you are

Social Media and Storytelling
- A quick snapshot of an idea or feeling
- Became popular with Instagram stories
- Typically last only 24 hours
- Facebook Stories
- Use Twitter to tell a captivating tweet-based or Twit Lit story

Enwoven
- Browser-based
- Stories can be public or private
- Multimedia content: text, images, audio, video
- Create timelines and maps of events
- See A History of NYTimes.com on Enwoven

Digital Storytelling Projects
- StoryCorps
- PBS American Portrait
- Moth podcasts for story ideas
