

# Digital Storytelling

## Why Use Digital Storytelling Tools?

- Keep an electronic record of your story
- Share stories easily with whom you choose
- Add photos, video, audio
- Write stories collaboratively wherever you are

## Social Media and Storytelling

- A quick snapshot of an idea or feeling
- Became popular with [Instagram stories](#)
- Typically last only 24 hours
- [Facebook stories](#)
- Use Twitter to tell a [captivating](#) tweet-based story

## Enwoven

- [Browser-based](#)
- Stories can be public or private
- Multimedia content: text, images, audio, video
- Create timelines and maps of events
- See [A History of NYTimes.com](#) on Enwoven

- **Digital Storytelling Projects**
- [StoryCorps](#)
- [PBS American Portrait](#)
- [Moth](#) podcasts for story ideas
