

# eBay and PayPal

## eBay

- An online marketplace ([ebay.com](https://www.ebay.com)) where people can buy and sell used, new, and vintage goods
- Buy products at discounted prices
- Bid on items or use the “Buy it Now” option
- Sell personal items
- Create an eBay store where customers can view all the products you’re selling in one convenient location.

## Tips for buying and selling on eBay

- Thoroughly review the seller’s ratings
- Carefully read the detailed description of the item you want to buy
- Contact the seller if you have any questions
- Always pay through eBay approved methods

## PayPal

- P2P (peer-to-peer) payment service founded in 1998
- Available via browser ([paypal.com](https://www.paypal.com)) or app
- Accounts are free
- Make online purchases without entering your credit card or bank information every time you make a purchase on a website
- No fees for online purchases
- Send money to friends and family for free
- PayPal’s “Purchase Protection” plan
