

# Free Streaming with Tubi

Tubi is a free online streaming service and app that offer thousands of movies and TV shows. Launched in 2014, Tubi has more than 20 million users! When you sign up for a free account, you can save movies and videos and watch them later.

## Sign Up with Tubi

- 1 To get started, go to **tubitv.com**
- 2 Click on **Register** in the top, right-hand corner of the page.

- 3 You can register with your email or Facebook account.

To register with your email, enter the information requested.

Be sure to choose a new password.

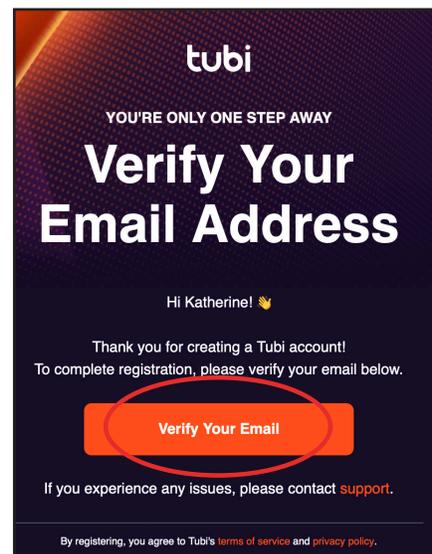

Write your password here:

\_\_\_\_\_

- 4 Then, click on **Next** at the bottom. Follow the prompts to finish registration.

The registration form is titled "Let's get you set up" and includes the text "It's free. No subscription required". It offers two registration options: "Register via Google" and "Register via Facebook". Below these is a section for "Register via Email" which contains five input fields: "First Name" (with a 6/60 character limit and the example "Senior"), "Last Name" (with a 6/60 character limit and the example "Planet"), "Email", "Password", and "Confirm Password". At the bottom of the form is a large orange button labeled "Next". A red arrow points from the text in step 4 to this button, and the button itself is circled in red.

- 5 You'll receive a confirmation email at the end of the sign-up process. Go to your email and confirm your Tubi account.

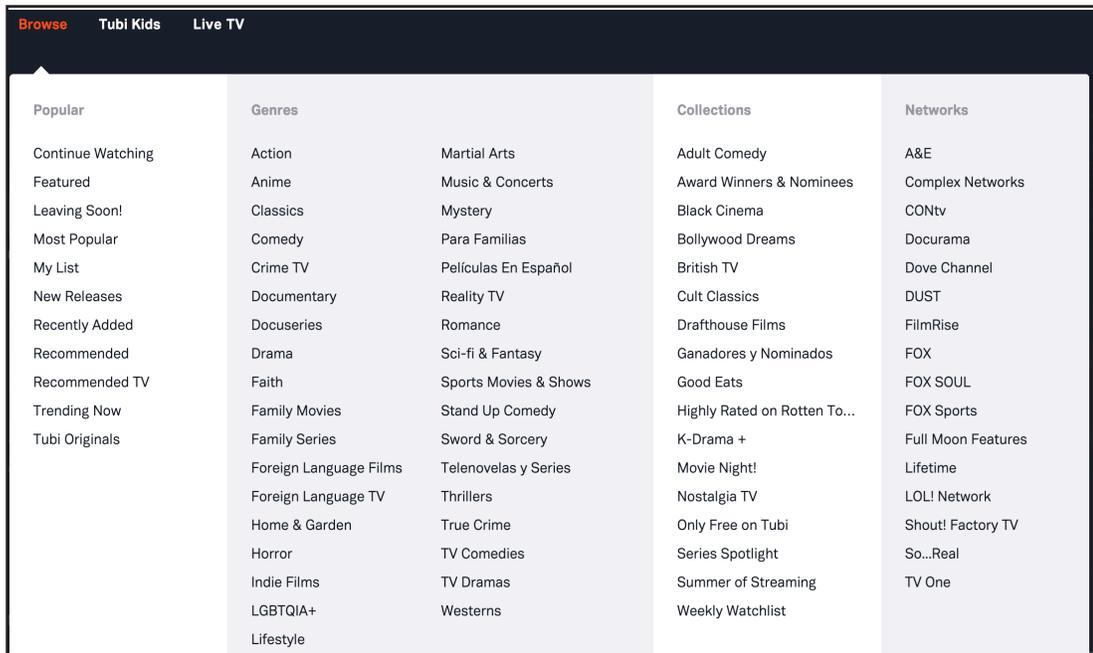

# Explore Tubi

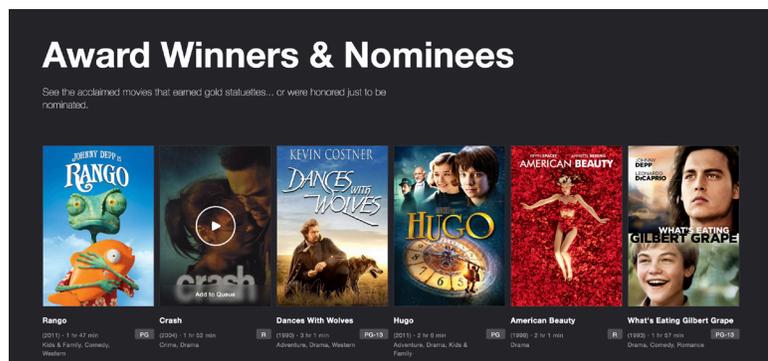

- 1 On the homepage, click on **Browse**.

- 2 A drop-down menu with a list of different genres, collections, and networks will appear. Select the one that interests you.

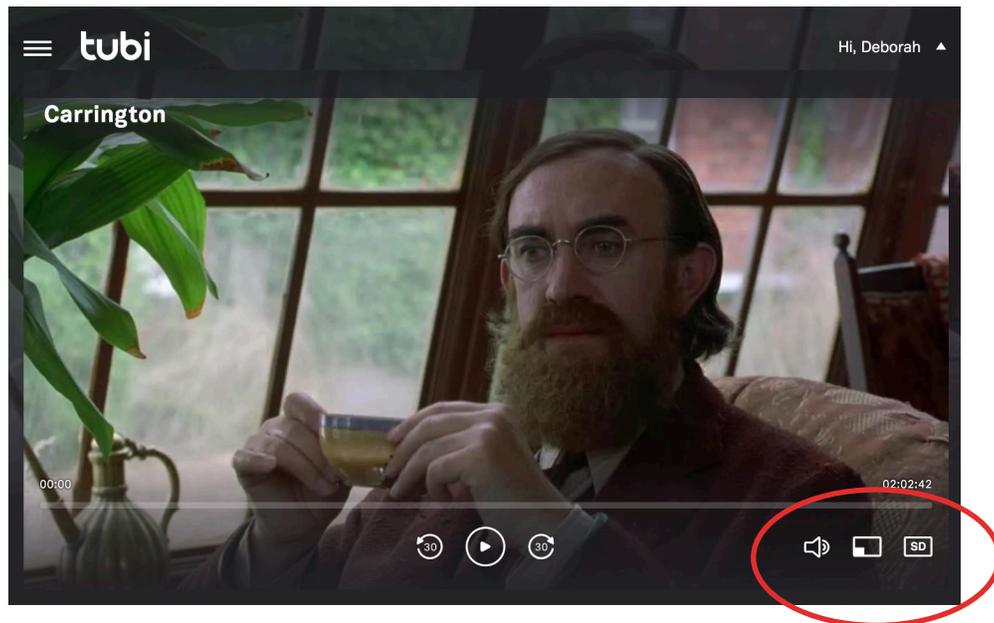

- 3 Scroll through the list of titles, then click on the movie or TV show you'd like to watch.

4 Scroll down the page. You'll see a brief description of the movie.

5 Then, click on the **play button**  to start watching it.

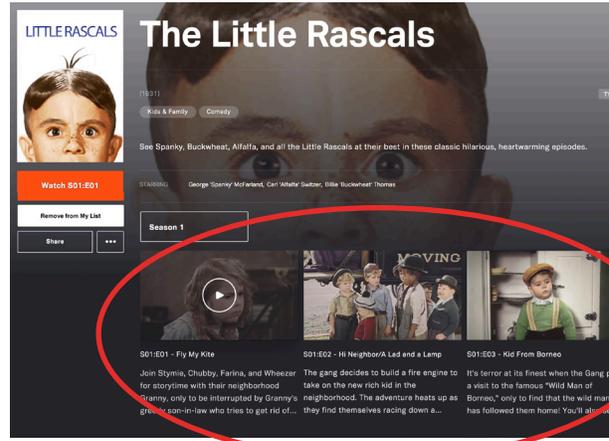

6 To adjust the volume of the video, select the volume icon  in the right-hand corner.

7 To make the video fill your entire screen, just click on the full-screen icon in the lower, right-hand corner of the video player. 

- 8 If you selected a TV show, click on one of the episodes. Then click on the play button to watch it.

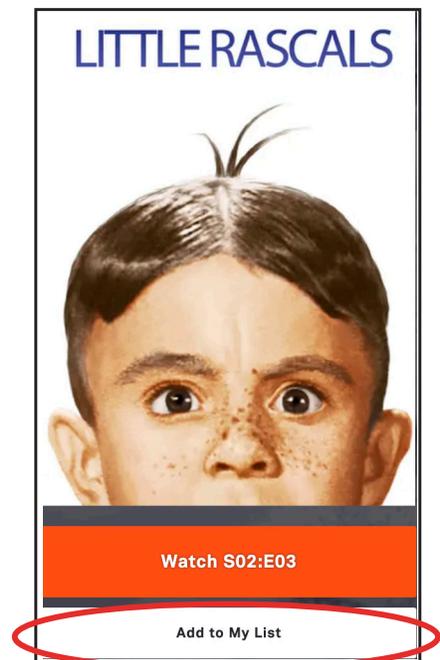

What's the name of the movie or episode you've found?

---

What's the movie or episode about?

---

- 9 You can see save a movie or a show and watch it later. Click on **Add to My List** below the movie or episode photo on the left side of the page.

10 Then, click **Browse** in the top, left-hand corner and select “My List”. You’ll see all the movies and shows you’ve saved.
