# Introduction to Managing Your Privacy

Take Control of Your Privacy

- Turn off autofill in your browser.
- Delete your browser's history frequently.
- Use extensions that block ads and tracking.
- Get to know your browser's privacy settings.
- Check the privacy settings of voice assistant devices.
- Check app settings on smartphones.

Popular Browser Extensions for Greater Privacy

- Https Everywhere
- Privacy Badger
- UBlock Origin
- Cookie Autodelete
- Browse extensions for Chrome & Edge in the Chrome Web Store:
  chrome.google.com/webstore/category/extensions

Alternative Browsers

- DuckDuckGo: duckduckgo.com
- Brave: search.brave.com
- DuckDuckGo and Brave are browsers that take privacy seriously by blocking tracking and limiting or blocking ads entirely

Password Managers

- Password managers autogenerate & remember passwords
- Only remember 1 master password for your account
- Bitwarden: bitwarden.com
- 1Password: 1password.com
