

Duolingo

What is Duolingo?

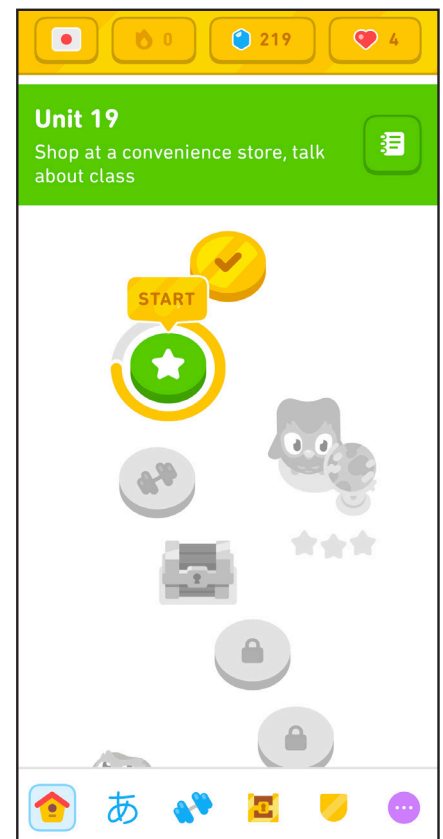

- A free app that helps you learn a new language through a fun gaming experience.
- Choose from more than 30 languages.
- Learn more than one language at a time!

Duolingo Features

- Compatible with Apple and Android smartphones and tablets.
- No need to sign up for a free account to begin.
- Complete lessons and quests to earn badges and gems.
- Super Duolingo, a paid subscription, offers an ad-free learning experience with more chances to practice.

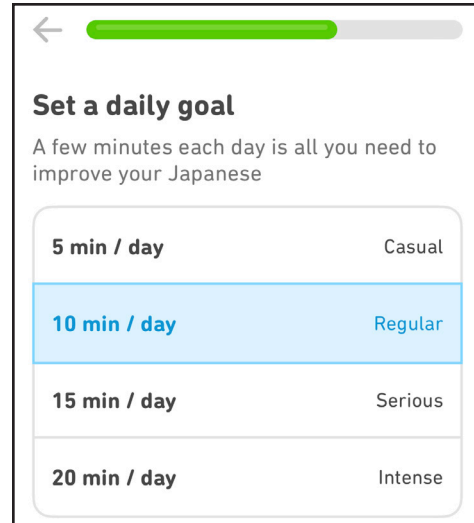

Getting Started with DuoLingo

- Download Duolingo from the Apple App Store or Google Play Store.
- Open the app, choose a language, and start learning right away!
- Create an account to track your progress.
- Add another language to learn without losing your place in your current language course.
- Earn badges and complete challenges as you practice and learn!

- Follow the prompts to start learning. Here are some example prompts you may see.

- Answer questions to develop your vocabulary and learn new grammar. Here are a few question types you may encounter.
